Don't worry, all your encrypted files can be restored. It's a business, if we can't provide full decryption, other people won't trust us.
In confirmation, that we have decryption key, we can provide you test decryption. On our website you can upload 1 encrypted picture (png,bmp,jpg,gif) and get it decrypted.
There is no way to decrypt your files without our help. Don't trust anyone. Even your dog.
There is 1 way how to get to the website:
1) Any browser a) Open your browser b) Type this url: nemty.hk/pay c) Upload this note
